

Unity place

Events & Conferences

Where Innovation Meets Inspiration

Unity Place is a future-forward collaboration of inspiring, sustainable workplace, conference, leisure, and event spaces. Together they make an inclusive community powered by sustainability and a planet-first approach.

Our venue

Conveniently located next to Milton Keynes railway station, Unity Place is an exceptional, state-of-the-art venue in the heart of England.

An outstanding, well-equipped and sustainable venue, Unity Place will ensure your event delivers an experience that exceeds expectations. Whether an industry conference, glitzy awards ceremony, black tie dinner or a business get-together, our central location, experienced team and exceptional catering bring together everything you need for success.

Our stunning event spaces are modern, accessible and well equipped, bringing professionalism and the perfect ambiance to your event. Our friendly team will work with you to create an exciting event in the spaces that suit your needs and budget. We offer competitively priced, flexible packages, that can include bespoke options.

Conferences, exhibitions, canapé receptions and more; we have the perfect space to unite your delegates in one place.

Core pillars

Our core pillars are central to everything we do at Unity Place from our building to our beautiful food.

- Sustainability 
- Collaboration 
- Innovation 
- Community 
- Experience 

Sustainability

We are passionate about not only 'doing the right thing' but making it easier for our guests to make 'planet-friendly' choices.

01.

We are committed to a net zero target by 2030

03.

We have a British-first sourcing policy on all fresh produce and we are proud to have invested in many longer term partnerships

05.

All our meat, dairy and poultry is Red Tractor farm assured

07.

We only use fish which is Marine Conservation Society certified

02.

Over 90% of our fresh produce is sourced locally in the UK

04.

All our fresh eggs are British free-range or organic

06.

We only use pole and line-caught tuna, a sustainable fishing method used to catch tuna, one fish at a time

08.

All our fresh and frozen prawns are Marine Conservation Society certified

Unity place

Events and Conferences

A sustainability led venue

As a landmark destination in Milton Keynes, we aim to shape the landscape with a future-forward, multi-purpose facility that champions environmental stewardship.

Rainwater harvesting

PV Solar panels offsetting 40 tonnes of CO² per year

Home to a B-Corp certified business

EPC TARGET B

Zero carbon (with carbon offsetting payment to council)

Interior planting to improve air quality

BREEAM
delivered by bre

Targeting a BREEAM 'Excellent' rating

World Architecture Festival Awards, Nominee, 2022

Designed to WELL principles

Floor to ceiling glazing maximises natural daylight and views

Exposed concrete structure providing thermal mass

Biodiversity increased with extensive planting and bird, bat and insect boxes across the terraces

Electric Vehicle Charging Points

Peak load shedding via large scale green energy storage

Rejected heat from local plant provides a low carbon energy source to heat the building

Brise soleil shading helps to reduce cooling loads

Secure basement cycle storage

Low energy LED lighting and motion controls

Our spaces

Unity Place offers several amazing spaces, all equipped with high-speed internet, each of which can be hired individually, or as a combination of options to create an exceptional event.

Whether you want to accommodate many or a few delegates, need full audio-visual, digital screens, and controllable lighting, or modern, light spaces with access to an outdoor terrace, we have just what you need to deliver stylish in-person events. These spaces work exceptionally well together for business meetings, awards ceremonies, product launches and post-conference dining, but it's your space to showcase your own incredible event.

auditorium

A modern event space with bench seating in a theatre style layout to seat up to 300, the Auditorium is equipped with a large digital screen, full audio visual, and a raised stage area.

It provides an exceptional venue for dynamic conferences, awards ceremonies and industry talks. High speed internet and state-of-the-art technology means you can engage your audience to get actively involved: ask questions, vote in polls and be a part of the discussion in real time.

auditorium AV facilities included in venue hire

auditorium

Foyer screens at Unity Place

The Station and City side entrance foyer areas act as entrances to Unity Place and provide an immersive experience from the very start of your event.

Why not use the state of the art LED screens to amplify your event? Unity Place has been designed with the highest technological specifications in mind, equipped with state of the art technology throughout.

Please contact the events team for more digital options to create an immersive experience for delegates or to amplify your brand.

event spaces

Event spaces 1, 2 and 3 are modern, spacious and well-equipped, located on Level 1 above the Auditorium. Event space 1 and event spaces 2 and 3 combined, have the capacity to accommodate up to 150 delegates in a variety of layouts enhanced with large digital screens.

These spaces benefit from floor to ceiling windows flooding the room with natural daylight. Event spaces 2 and 3 have a partition wall, allowing for a separate catering area or smaller syndicate room. Event space 3 can accommodate up to 100 delegates and event space 2 up to 40 delegates.

With the option to include the auditorium and event spaces together in your package, this addition works exceptionally well for awards ceremonies, break out spaces and post-conference events.
